

# Kaipātiki Information Trail 2023/24

A guide for residents to Local  
Information and Services available  
in the Kaipātiki Local Board Area

Beach Haven, Birkenhead, Chatswood, Bayview,  
Birkdale, Northcote, Glenfield, Hillcrest, Highbury,  
Totara Vale and Marlborough

October 2023

# Welcome

The Kaipātiki Information Trail booklet will assist you to find essential services within the Kaipātiki Local Board's area of Auckland City. This includes the suburbs of Beach Haven, Birkenhead, Chatswood, Bayview, Birkdale, Northcote, Glenfield, Hillcrest, Highbury, Totara Vale and Marlborough.

It also includes a large commercial area in and around Target Road, Link Road and Wairau Valley, as well as main shopping malls and centres at Glenfield, Northcote and Highbury.

Local domains and reserves include Kauri Point Domain, Birkenhead Domain and the Tuff Crater Reserve.

Other features include the Auckland University of Technology campus at Northcote and the iconic Chelsea Sugar Refinery at Birkenhead..

# Kaipātiki Local Board

Kaipātiki's suburbs are well established. Northcote and Birkenhead Points are renowned for their built heritage.

There are also a number of heritage sites important to Māori, such as the pā at Stokes Point.

The area has 530ha of reserves and walkways.

The area is ethnically diverse with over a quarter of the population identifying as Asian, approximately 8.5 per cent Māori and just under 6 per cent Pasifika.

Amenities in the Kaipātiki Local Board area

Kaipātiki has three main town centres – Birkenhead, Glenfield and Northcote – complemented by smaller local centres.

Twenty nine per cent of the population work within the board boundary with the Wairau Valley commercial industrial area being one centre of employment.

The North Shore campus of AUT University is located on Akoranga Drive, Northcote.

Major leisure venues include the North Shore Events Centre and the Netball North Harbour complex.

The Chelsea Estate Heritage Park and Sugar Refinery along with Shoal Bay provide stunning coastal views and a cityscape of central Auckland.

## Kaipātiki Local Board Members

The Kaipātiki Local Board Members are your elected local authority representatives.

# Kaipātiki Community Facilities Trust

The Kaipātiki Community Facilities Trust (KCFT) has a partnering agreement with the Kaipātiki Local Board to provide a connected community approach through the community development work model. Through this model, KCFT provides a variety of community activations, projects, programmes and key events that meet the needs of our Kaipātiki residents, while also increasing neighbourhood sustainability.

KCFT's role with the Kaipātiki Local Board provides connected communities, and the Trust is committed to serving, and supporting, sustainable communities because we know our role succeeds where connected communities thrive.

Our work will always revolve around the Five Wellbeing's... Give, Be Active, Keep Learning, Connect and Take Notice.

KCFT recognises that by working together with regional and local community organisations, including central government agencies, we can do more to effectively support local communities and member organisations, thus achieving greater social wellbeing and more effective outcomes.

KCFT provides support around Tikanga Māori and all projects that increases Te Aro Maori, or

shared outcomes and benefits. This is achieved through collaboration with mataawaka/mana whenua driven kaupapa. KCFT also ensures that local Māori are involved within the leadership of appropriate consultation/hui and projects. Therefore, KCFT continues to place a high value on Māori and Pakeha working together in partnership based on the Treaty of Waitangi, along with full engagement in our multi-ethnic and multi-cultural society.

Key areas of engagement include:

- Steps to Success
- Attendance Services
- Summer/Winter Fun Programmes
- Active Neighbourhood Connections
- Diversity programmes that showcase artistic talents in ways that foster a sense of connection
- Sharing initiatives that teach new skills, etc
- Strengthening local economies by supporting local employment opportunities, especially for youth
- Identifying quality of life issues that concern residents and raise them with the Kaipātiki Local Board
- Partnering with government agencies, businesses and education providers to achieve quality programmes, especially for youth

## KCFT online

You can now access a huge range of resources and information online at our website [www.kcft.org.nz](http://www.kcft.org.nz).

Championing the Kaipātiki Way

# KCFT Steps to Success

**The KCFT Steps to Success Programme is a holistic, thorough, and in-depth set of Skill Modules which are designed to build the self-esteem, resilience, and confidence of rangatahi before they transition into supported employment.**

The KCFT Programme provide rangatahi, and their whānau, with a firm foundation prior to the transition into the workforce, and additional support once they find employment. Rangatahi embarking on this journey are expected to commit to full participation in all scheduled modules and workshops. These work in partnership with, not only the rangatahi, but also their whānau and other applicable service providers. It is a 6 month programme, with the following modules:

*KCFT Steps to Success Team*

## Months 1 – 4 Resilience Module

Rangatahi (in partnership with their whānau and any relevant service providers) embark on a journey of self-discovery with their KCFT Steps to Success staff member. Whilst on this programme, youth develop their own 'Who Am I' portfolio, building resilience and confidence within themselves.

Rangatahi will build their own personalized visual Curriculum Vitae (CV) and receive tailored support as they navigate through the process of job seeking alongside KCFT Steps to Success (i.e.: Cover Letters, Interview Skills).

The Steps to Success Programme has dedicated counsellors and personal trainers available, who rangatahi will be invited to work with during the ongoing sessions. The Steps to Success Programme also has a selection of workshops which rangatahi will attend.

## Months 5 – 6 Work Experience Module

Once rangatahi find an employment industry of interest, KCFT Steps to Success will job match them with an appropriate employer in that industry, and support them through the on-boarding process (job interviews, documentation etc.).

Rangatahi will be placed with employers who have partnered with KCFT Steps to Success. These employers work with the needs and development of rangatahi, to ensure a streamlined transition, while rangatahi work up to a 40 hour week/fulltime work.

## After month 6 going forward – Pastoral Care Module

Once rangatahi commence paid employment, they will transition onto the Pastoral Care Module.

This is youth-led support, like they receive in the Work Experience Module, and is centered on the on-going career development of the rangatahi as they create a firm foundation within their new workplace.

# KCFT Attendance Services

**KCFT Attendance Services initially works with schools to identify at risk students who may have a high level of unjustified absences, then work with family/whānau to build a cooperative solution that provides on-going support and encouragement to help those students achieve more positive outcomes from their learning journey.**

Truancy can be due to a range of factors. Our KCFT Attendance Navigators assist rangatahi to get the support they need to get back into school, or alternative education. In some cases, supportive employment programmes such as Steps to Success are the solution.

Working alongside other agencies in the area, and utilising our strong community support networks, we put plans and strategies in place to increase school attendance.

Attending school on a regular basis is hugely important. Every day counts towards a child's learning and pays huge dividends for their future.

*KCFT Attendance Services Team*

**Walking alongside our tamariki, rangatahi and whānau to help them back into education**

## **What we see as the major components of an Effective Truancy Reduction Programme**

Truancy programs are the responsibility of the community and not just of schools, or parents, or the courts. This point and other principles for preventing truancy from rearing its head are highlighted in the variety of research gathering that has been made and available.

Our Tool Kit, which is about Promoting School, Community Engagement, & School Policies.

Our Tool Kit will discuss range of action plans to creating alternatives to out-of-school suspension and expulsion as move into the programme.

School Governance model will also benefit the KCFT Truancy Navigators in respect of professional support, training and much more.

## **A School Governance Group**

- A continuum of supports, including meaningful incentives for good attendance and consequences for poor attendance.

- Collaboration among community factors such as law enforcement, mental health workers, mentors, and social service providers, in addition to educators.
- Concrete and measurable goals for program performance and student performance. Good record keeping and on-going evaluation of progress toward those goals.
- Parent/guardian involvement, or whole whanau/ family involvement.

## **What we can provide together**

A service that re-integrates truant students into the education system or further learning.

A service that extends beyond returning the learner back to school but all factors contributing to a learner's unjustifiable absence or non-enrolment and identifies what school, Whānau, community and social service support is required.

# Kaipātiki Youth

## Kaipātiki Youth Council

Provides opportunities for young people in Kaipātiki to get involved in the community, and have the voice of youth in local decision making processes. It also means being part of the local consultation process with the Kaipātiki Local Board and other local and central government agencies.

Most importantly, the Kaipātiki Local Youth Board allows our youth to engage with others their same age at a decision-making level, and to engage with elected officials and politicians to provide events, or projects for youth lead by youth.

**Contact:** Hera Foley | 027 539 8697 | hera@kcft.org.nz

## Children's and Student Panels

These panels, started five years ago, have provided an opportunity for young people to have a voice in specific areas each school term throughout the year, working collaboratively with agencies and/or our Local Board. Schools involved include Birkenhead, Glenfield and Northcote High Schools, Birkdale, Glenfield and Northcote Intermediate Schools and identified local primary schools.

A snapshot of the issues covered include: Pest Free Kaipātiki, Youth Health, Transport, Safety in the Community, Watersafe, Library Hours, Connected Kaipātiki.

**Contact:** Ginny Bonner | 021 063 1932 | ginni@kcft.org.nz

# Kaipātiki Youth Development Trust

KYDT is based at "Te Aranga" Marlborough Park Youth Centre funded by the Kaipātiki Local Board.

Youth and their whānau are referred to KYDT and are residents in the suburbs of Beach Haven, Birkenhead, Chatswood, Birkdale, Northcote, Glenfield, Hillcrest and Totara Vale of the local Kaipātiki rohe.

## KYDT Objectives

- Providing positive adult role models
- Enhancing positive peer relationships
- Enhancing a positive self image. Working closely with the whole whānau
- Develop innovative ways of decreasing youth offending/re-offending
- Providing quality services and youth programmes based on research
- The success of KYDT is achieved through the provision of our core Youth Services Programmes
- Mentoring Support: Activity strength based mentoring support
- Early Intervention Programmes (EIP) in local schools
- After school recreational club based programmes
- Social work support service
- Community development
- Counselling services

## Mentoring

KYDT see mentoring as a fundamental aspect of positive youth development. Workers at KYDT spend time developing strong and trusting relationships with young people, based on respect and positive regard. The individualised nature of these interventions nurtures a mutually enhancing relationship that can provide stability, consistency and a positive role model in the lives of young people who may be experiencing disadvantage in their lives.

## KYDT Mission

**KYDT believes that all young people are to be nurtured in a safe and healthy environment that they are valued and empowered to achieve their full potential in education and employment and to be citizens fully participating in their communities, making their communities safer**

**He whakahirahira he whakamiramira ia tamaiti, ia taiohi**  
**All children and young people are special and significant**

# Civil Defence

These sites can help you prepare for an emergency:

[www.civildefence.govt.nz](http://www.civildefence.govt.nz)

[www.happens.nz](http://www.happens.nz)

[www.getthru.govt.nz](http://www.getthru.govt.nz)

[www.aucklandcivildefence.org.nz](http://www.aucklandcivildefence.org.nz)

For more information phone:

**09 301 0101**

## Stay informed

Emergencies can happen anywhere, any time, and without warning. Make sure you and the people you care about are ready to get through by knowing the different ways to stay informed.

### Radio

If the power goes out, a solar or battery powered radio (or your car radio) can help you keep up to date with the latest news. In an emergency, tune to these stations: Radio New Zealand, The Hits, NewstalkZB, MoreFM, Radio Live.

### Online

For local updates, check the Auckland Emergency Management website: [www.aucklandcivildefence.org.nz](http://www.aucklandcivildefence.org.nz) and follow us on social media channels.

## Know your neighbours

There's strength in numbers. In an emergency, you can work with your neighbours to get through. Neighbourhood Support Groups bring local people together to create safe, supportive and connected communities. Join Neighbourhood Support at [neighbourhoodsupport.co.nz](http://neighbourhoodsupport.co.nz) or call 0800 463 444.

## Emergency Alert

There are three ways of subscribing to emergency updates at Auckland Civil Defence website: <https://bit.ly/2PTzK9M>

1. Red Cross Hazards App

2. SMS - register online.

You will receive SMS messages from Auckland Emergency Management when there is important information and actions to take.\*

3. Email - register online

You will receive emails from Auckland Emergency Management when there is information you may need to know.

**If life or property is threatened always dial 111  
for Police, Fire or Ambulance.**

\* You will only receive an SMS during an important event when actions need to be taken.

# Community Connections

## Bayview Community Centre

72 Bayview Rd, Glenfield | 09 443 0231

Before and after school care, holiday programmes, early learning centre and various community classes. Early Learning Centre (ELC).

Ernie Mays Street, Northcote

09 480 9633 (Hours: 10:00am - 4:00pm daily)

The gallery provides an accessible and community focussed programme of exhibitions by emerging and established, local and national artists, which changes out every three weeks.

## Rawene Centre

33-35 Rawene Rd, Birkenhead | 09 481 3030

ESOL classes, Kiwi culture and adaptation, assisting in individual and community wellbeing Seminar rooms with full kitchen facilities.

# Kaipātiki Environmental Action Groups

## Kaipātiki Project

Kaipātiki Project is an innovative eco-hub, growing a sustainable future for people and nature. We do this by empowering people, inspiring connection with nature and enabling sustainable living.

Along with over 800 volunteers annually, we run a thriving native plant nursery where we grow 40,000+ native plants every year and plant them back in the local reserves. We facilitate forest, stream and estuary regeneration days, promote zero waste and encourage growing your own food.

We started in 1998, when a small group of enthusiastic volunteers weeded a local reserve to prevent the small forest fragment degrading further. Soon the neighbours were regularly volunteering their time and energy restoring local bush reserves.

We have steadily grown over the years, and as north Auckland's only eco-hub, we continue to inspire communities to restore local bush reserves and live sustainably.

**Kaipātiki Project**  
share in nature's revival

[office@kaipatiki.org.nz](mailto:office@kaipatiki.org.nz)

## Pest Free Kaipātiki

Pest Free Kaipātiki Restoration Society (PFK) exists to restore and protect the natural environment of Kaipātiki.

We're a local umbrella organisation that works with, and connects the community and partner organisations, through activities aimed at native habitat restoration and protection.

We're passionate about creating a world where our native habitat and community are interwoven and flourish together.

Following te ao Māori principles of kaitiakitanga and whanaungatanga, we help build stronger, healthier, better connected, resilient communities and neighbourhoods that are more attractive to kereru, tui and other native wildlife.

Get in touch with us to find out how you can make a difference. PFK can connect you with an existing restoration group in your area, or help you to set up a new group to care for a place special to your community.

**Join us in our fight to protect the wild!**
